3M Gold Privacy Filter 14" Laptop with COMPLY Attachment System - Notebook privacy filter - 14" wide - gold

3M Gold Privacy Filters for laptops boast nearly a 20% higher clarity than standard 3M Black Privacy Filters. Visual hackers with side views see a vibrant gold shield of world-class privacy, but you get a gold, glossy finish for incredible clarity and an excellent high-contrast, high-resolution visual experience. From 3M, a leader in clarity for privacy filters.
