Create incredible photos anywhere with all-new Lightroom CC and 1 TB of cloud storage. Get powerful editing features on any device in a easy-to-use interface. Edit in full resolution and have both your original photos and edits backed up to the cloud. Organize your photos with searchable keywords that are automatically applied without the hassle of tagging. And easily share and showcase your photos in fun ways. With easy-to-use sliders, filters, and quick adjustment tools, the intuitive Lightroom CC interface makes it simple to create photos that look just the way you want. And you can edit your full-resolution photos anywhere - on mobile devices, the web, or your desktop. Edits on one device are automatically applied everywhere else. Adobe Sensei uses the power of machine learning to apply searchable keywords automatically. Looking for shots from your favorite trips to the water? Sensei auto-tagging makes finding your photos a snap so you can create albums based on any theme you want.
