## ASUS ZenScreen GO MB16AP - LCD monitor - Full HD (1080p) - 15.6"

ASUS ZenScreen Go MB16AP is designed to keep you productive, wherever you are. It's a portable monitor with a hybrid-signal solution, which means that it only needs a single USB connector cable to be fully compatible with almost any laptop. With a super-slim 8 mm profile, and weighing just 850 g, ZenScreen Go MB16AP is also light 15.6-inch companion display. To enjoy the convenience of a truly portable device with 7,800 mAh battery built-in that supports up to 4 hrs battery life. Support QC3.0 fast battery charging, doubled charging speed in comparison to general adapters. ZenScreen Go MB16AP works with laptops, and mobile devices. To project app or content from your mobile device, simply download and use the DisplayLink app. To check battery status by simply press the hotkey. ZenScreen Go MB16AP only requires a single USB connection for both power and video transmission from your host device. It features an innovative hybrid-signal solution with native support for USB Type-C (USB-C) connections, and uses an installed driver to support USB Type-A connectors for full compatibility. The reversible, any-way-up USB-C design enables quick, hassle-free connection to any device.
