

Produktinformation

Broadcom 5720 - Network adapter - Gigabit Ethernet x 2 - for PowerEdge T130, T330; PowerEdge R230, R330, R430, R440, R540, R640, R740, R940, T440, T640

Information

<i>Tillverkare</i>	Dell
<i>Artnr</i>	540-BBGY

The Gigabit Ethernet PCI-Express network interface card from Dell is ideal for connecting your server to your network.

Specifikation

General

Device Type	Network adapter
Form Factor	Plug-in card

Networking

Ports	Gigabit Ethernet x 2
Connectivity Technology	Wired
Data Link Protocol	Ethernet, Fast Ethernet, Gigabit Ethernet
Data Transfer Rate	1 Gbps

Processor / Memory

Processor	1 x Broadcom BCM5720
------------------	----------------------

Compatibility Information

Designed For	Dell PowerEdge R220, R320, R420, R420xr, R520, R620, R720, R720xd, R820, R920, T130, T20, T20 Mini Tower Server, T320, T330, T420, T430, T620, T630, VRTX, VRTX M520, VRTX M620 Dell EMC PowerEdge R230, R330, R430, R440, R530, R540, R630, R640, R730, R730xd, R740, R740xd, R930, R940, T440, T640
---------------------	---
