HPE 3PAR 7200 Online Import - Licence (180 days) - electronic

HP 3PAR Online Import software is the do-it-yourself data migration tool for enterprise Storage Area Networks. Unlike traditional block migration approaches, Online Import software enables customers to migrate storage volumes from either HP EVA Storage, EMC CX4 or EMC VNX Storage to HP 3PAR StoreServ Storage systems online and without complex planning or dependency on extra tools.

Specifikation

General

Category	Networking applications - storage management
Product Type	Licence - 180 days
