HPE StoreEver Command View - Licence - electronic - for HP StoreEver MSL6480 Tape Library - Win

HP Command View TL for Tape Libraries aggregates multiple HP tape libraries for centralized management. It is also the nerve center for TapeAssure data collection and analysis and, importantly it is able to manage existing ESL G3, ESL E-Series, EML, and the MSL libraries. With Command View TL and the ESL G3 or MSL Library Management Console (LMC) you can manage your tape libraries - monitor backup logs, check drive status, receive trouble alerts, diagnose problems, and much more - through a simple browser interface from anywhere in the world.
