

Produktinformation

Insmat Exclusive Brilliant - Screen protector for mobile phone - black, transparent - for Apple iPhone SE (2nd generation)

Information

<i>Tillverkare</i>	Insmat
<i>Artnr</i>	861-1170

Perfectly transparent protective tempered glass with high scratch resistance. It considerably protects the screen, also during a fall. The oleophobic coating on the glass allows for an easy removal of any smudges off the screen and in combination with glass gives it a very nice touch.

Specifikation

General

Product Type	Screen protector
Intended For	Mobile phone
Protection	Smudge-proof, explosion-proof, fingerprint-proof
