

## Produktinformation

### Intel Next Unit of Computing Board NUC7i3DNBE - Motherboard - UCFF - Intel Core i3 7100U - USB 3.0 - Gigabit LAN - onboard graphics

#### Information

<i>Tillverkare</i>	Intel
<i>Artnr</i>	BLKNUC7i3DNBE

The Intel NUC board NUC7i3DNBE enables infinite flexibility and expandability depending on your customers' needs. The board includes a 4-lane eDP connector that allows you to create interactive touch systems perfect for digital signage or intelligent vending. The NUC7i3DNBE board also has an internal power connector with a 12-24 volt input range so your systems stay up and running no matter the fluctuation in power. The board ships without a wireless card so you can choose what's best for the solution you're building.

## Specifikation

### General

<b>Product Type</b>	Motherboard - UCFF
<b>Processor</b>	Intel Core i3 7100U / 2.4 GHz (Dual-Core)
<b>Cache Memory</b>	3 MB

### Supported RAM

<b>Max Size</b>	32 GB
<b>Technology</b>	DDR4
<b>Bus Clock</b>	2133 MHz

### Graphics

<b>Graphics Controller</b>	Intel HD Graphics 620
----------------------------	-----------------------

### LAN

<b>Network Interfaces</b>	Gigabit Ethernet
---------------------------	------------------

### Expansion / Connectivity

<b>Expansion Slots</b>	2 x SO-DIMM 204-pin 1 x M.2 socket (Key M) 1 x M.2 socket (Key E)
<b>Storage Interfaces</b>	SATA-600 -connectors: 2
<b>Interfaces</b>	4 x USB 3.0 1 x LAN (Gigabit Ethernet) 2 x HDMI

Internal Interfaces	1 x Embedded DisplayPort (eDP) 2 x USB 2.0 - header 1 x serial - header
Features	
BIOS Type	Intel
BIOS Features	ACPI support, SMBIOS 2.5 support, Intel Visual BIOS, Express BIOS Update
Miscellaneous	
Width	10.2 cm
Depth	10.2 cm
Package Type	Bulk
Manufacturer Warranty	
Service & Support	Limited warranty - 3 years
