Kingston DataTraveler Locker+ G3 - USB flash drive - encrypted - 16 GB - USB 3.0

Put a lock on your personal data with Kingston's DataTraveler Locker+ G3. It's a safe and convenient way to secure receipts, bank statements and other sensitive documents with hardware encryption and password protection for a double layer of data security. The drive locks down and reformats after 10 failed login attempts, so users can rest assured that their data is safe even if the drive is lost or stolen. Its USB 3.0 interface delivers speeds of up to 135MB/s read, approximately 2 - 3 times the speed of the previous generation, to secure files faster. It features a durable metal casing to protect the drive from drops, bumps and knocks plus its built-in key loop makes it convenient to take your data anywhere. The cap fits on the back of the drive so it won't get lost.

Specifikation

General

Product Type	USB flash drive
Storage Capacity	16 GB
Hardware Encryption	Yes
Compatibility	Non-specific

Memory

Read Rate	Up to 135 MB/s
Write Rate	Up to 20 MB/s
Interface Type	USB 3.0
Features	Password protection, metal body, key ring loop

Software / System Requirements

OS Required	Microsoft Windows 7 SP1, Windows 8, Windows 8.1, Windows 10, Apple MacOS X 10.9.x - 10.12.x
--------------------	---

Manufacturer Warranty

Service & Support	Limited warranty - 5 years
------------------------------	----------------------------

Dimensions & Weight

Width	60.56 mm
--------------	----------

Depth 18.6 mm

Height 9.75 mm

Environmental Parameters

Min Operating Temperature 0 °C

Max Operating Temperature 60 °C
