Lenovo ThinkVision T27p-10 - LED monitor - 4K - 27"

The ThinkVision T27p is designed to provide you with a spectacular viewing experience. The NearEdgeless screen and 3840 x 2160 resolution make it an excellent productivity tool. The USB Type-C port provides a perfect one-cable solution by transiting data, video, and providing power delivery to compatible devices. Multiple USB ports enable easy connectivity to peripherals, making it a truly great investment for professionals in any industry who rely on additional monitors to multitask. Moreover, the ergonomically designed stand with lift, tilt, pivot, and swivel functionalities allows you to adjust the monitor for your comfort.
