Lenovo ThinkVision T32h-20 - LED monitor - 32"

Do more than just optimize your productivity with the ThinkVision T32h-20 monitor. Get an enhanced view of and easily navigate through documents, spreadsheets, or designs on this sleek display that complements your modern workspace. Its vast 31.5-inch screen with QHD resolution delivers more screen real estate with higher clarity than Full HD, making data-intensive work, number crunching, and content editing a breeze. The one-cable solution USB Type-C, HDMI, and DP ports provide multiple interface options. Integrated with Smart Power the USB Type-C also doubles up as a charger for dynamic consumption and intelligent power management.

Specifikation

General
