Microsoft Windows Server 2016 - Licence - 5 user CALs - OEM - Swedish

The cloud offers IT organizations opportunities to flourish under a new model that delivers faster time to value and innovation. Many organizations, however, face strict compliance or business requirements. For organizations that need it all - security, efficiency, and innovation - Windows Server 2016 delivers it. Windows Server 2016 is the cloud-ready operating system that supports your current workloads while introducing other advanced technologies that make it easy to transition to cloud computing when you are ready.
