StarTech.com Standalone 1:5 USB Flash Drive Duplicator and Eraser - Flash Drive (USB 3.0/2.0/1.1) Copier - 2 Duplication Modes (USBDUP15) - USB drive duplicator - 5 bays

Easily duplicate or securely erase up to five USB 2.0 Flash Drives simultaneously, without connecting to a computer. The USBDUP15 OnetoFive USB flash drive duplicator and eraser lets you quickly clone up to five backups of a single USB flash drive, or securely erase up to six flash drives, without connecting the to a host computer. Featuring a compact lightweight design that you can carry anywhere, and standalone operation that does not require a host computer, the flash drive duplicator and eraser has a small desktop footprint and is great for travel. Perfect for software and marketing content distribution in the office or on-the-go. With an easy-to-read LCD display and intuitive four button menu operation, the USBDUP15 ensures hassle-free setup and control. The menu gives you push-button access to many value-added features that ensure simple task management such as: Capacity & Speed Check, Copy & Compare, Asynchronous Copy, and many more. It also provides numerous advanced setup options for experienced users. This versatile device is both hard drive cloner and eraser in one, and offers two duplication modes (File & System Copy / Whole Copy) with up to 1.5GB/m at Whole Copy mode. It offers three erase modes (Quick Erase / Full Erase / DoD Erase) giving you the freedom to choose the best solution for your application. The USBDUP15 flash drive duplicator supports copying/cloning to SD/ SDHC/ Micro SD/ MMC/ Mini SD/ CF media through a USB multimedia card reader (sold separately) and to Hard Drives or Solid State Drives through a hard drive docking station or USB enclosure (sold separately).

Specifikation

General

Device Type	USB drive duplicator
Enclosure Colour	Black
Localisation	North America, United Kingdom, Europe

Chassis

Built-in Devices	Status LCD
Supported Devices / Modules Qty	5

Expansion / Connectivity

Interfaces	6 x USB 2.0 - 4 pin USB Type A
------------	--------------------------------

Miscellaneous

Compliant Standards FCC, RoHS

Power

Power Device External power adapter

Voltage Required AC 120/230 V

Dimensions & Weight

Width 16.7 cm

Depth 12 cm

Height 2.5 cm

Weight 318 g

Manufacturer Warranty

Service & Support Limited warranty - 2 years

Environmental Parameters

Min Operating Temperature 5 °C

Max Operating Temperature 45 °C

Humidity Range Operating 5 - 95%
