StarTech.com Standalone USB Duplicator - USB Duplicator and Eraser - USB 3.0, 2.0, 1.1 - 1:15 USB Flashdrive - USB Thumb Drive (USBDUPE115) - USB drive duplicator - 15 bays

This USB duplicator and eraser lets you clone or erase up to 15 USB flash drives, without a host computer connection. This means you can work more efficiently and manage larger batches of USB drives, saving time and effort. The standalone USB duplicator and eraser is perfect for IT professionals and system administrators in corporate, education, marketing, or sales environments.

Specifikation
