GOODRAM CL100 Gen.2 - Solid state drive - 240 GB - internal - 2.5" - SATA 6Gb/s

CL100 Gen.2 is an entry-level 2.5-inch solid state drive that significantly improves the performance and speed of desktop PCs and notebooks.

Specifikation

General

Status	N1
Device Type	Solid state drive - internal
Capacity	240 GB
NAND Flash Memory Type	Triple-level cell (TLC)
Form Factor	2.5"
Interface	SATA 6Gb/s
Features	Marvell 1120 controller
Width	100 mm
Depth	69.85 mm
Height	7 mm

Performance

Drive Transfer Rate	600 MBps (external)
Internal Data Rate	520 MBps (read) / 400 MBps (write)

Expansion & Connectivity

Interfaces	1 x SATA 6 Gb/s
Compatible Bay	2.5"

Manufacturer Warranty

Service & Support	Limited warranty - 3 years
