db Bramante 1928 Copenhagen - Protective case for earphones - full-grain leather - tan - for Apple AirPods

This Copenhagen leather folio case, from db Bramante 1928, with its simple, classic design protects your tablet while providing you with numerous viewing angles. Your device can also be flipped over to stand up, making an easy-to-use display for your work on the move. The case folds in a notebook style and fastens with a magnetic leather tab. db Bramante 1928 produces pure leather products, respecting the core values of strength, durability, functionality and style. They are handcrafted by skilled craftsmen, using reliable materials and fine leather.
